

1-Day Team Building & Communication Workshop for an NGO

Type of event: Interactive in-person workshop with digital engagement before and after

Target group: NGO staff and volunteers

Short description of the training:

The workshop strengthens team cohesion, improves internal communication, and fosters a positive organisational culture. Through fun pre-event activities, creative collaboration exercises during the session, and practical follow-up tools, participants discover hidden talents, address communication challenges, and build habits that support long-term teamwork. The programme blends playfulness with purpose, encouraging openness, empathy, and continuous peer recognition.

Framework (structure)

Before the workshop

- **Fun Icebreaker Quiz:** “How well do you know your team?” – personal fun facts and hidden skills in Kahoot or Quizizz.
- **Expectations Board:** Participants post hopes and worries anonymously in Padlet or Miro.

During the workshop

1. **Digital Story Cubes:** Online random story prompts for participants to co-create stories around teamwork challenges (Story Dice apps or Miro templates).
2. **Emoji Check-ins:** Use Slido or Mentimeter live polls to track group energy and emotions.

After the workshop

- **Team Habit Tracker:** Members set small commitments and track progress together in Habitica (gamified) or Trello.
- **Celebration Wall:** Digital gratitude board for ongoing recognition in Padlet or Miro.
